We manufacture our own line of manicure & pedicure kits, facial tools and barber hair scissor at affordable prices and also guaranteeing their quality and comfort.

Our Mission: Our goal is to help individuals research and purchase beauty instruments in a one stop-shop type of environment on the internet. We strive to provide a wealth of accurate information, competitive prices, and great customer service to facilitate the purchasing process. To this end we work diligently maintain the best possible database of information on operating room and surgical supplies that is available in the market.

Quality Policy: Shazfy are committed to taking care of our customers. We demonstrate this commitment by striving to exceed their expectations, both with the quality of our products and the services we provide. This level of quality demands the effective maintenance of a quality management system reflective of our core competencies as Beauty instrument specialists. The quality management system includes processes that ensure compliance to regulatory requirements and conformance to ISO 9001. Key to our success is the planning, establishment, communication, achievement, measure and review of quality objectives at all relevant functions and levels. Success involves every employee, each of whom is individually responsible for the quality of their work, resulting in a continually improving working environment for all. This policy is provided and explained to each employee during annual awareness training, and its continuing suitability is regularly reviewed by senior management.
